

Collaborative Graduate Program in Design Admission Schedule (October 2017 Enrollment)

Application must be made according to the application guidelines.

Prescribed application forms (Word files) can be downloaded from the program's website below along with the guidelines.

<http://www.design.kyoto-u.ac.jp/> ("Important Information" on top page)

I. Recruitment of Preparatory Course Students (October 2017)

1. Recruitment Capacity

Only a few students will be recruited.

2. Eligibility to Apply

Every candidate must be newly admitted to enroll in one of the master's programs of the following departments (see list below) in October 2017.

Graduate School of Informatics: Dept. of Intelligence Science and Technology, Dept. of Social Informatics, Dept. of Applied Mathematics and Physics, Dept. of Systems Science, Dept. of Communications and Computer Engineering

3. Application Package

Application form, Statement of purpose, and Transcript from previous college/university

4. Application period

October 2 (Mon.) – 19 (Thu.) 5:00 p.m., 2017

5. Selection Process

Selection of Preparatory Course Students will be based on evaluation of the application form, statement of purpose, transcripts, and other documents in the application package.

If deemed necessary, applicants may also be asked to undergo an interview. In this case, applicants will be informed the schedule by Monday, October 23, 2017 via e-mail sent to the address listed on their application.

6. Announcement of selection results for program student (Preparatory Course Students)

The students selected for the Preparatory Course will be announced on the Program's website by the middle of November, 2017.

II. Recruitment of Students for third-year(L3) enrollment (October 2017)

1. Recruitment Capacity

Only a few students will be recruited.

2. Eligibility to Apply

Application is limited to students who advanced to or transferred into a doctoral program in the following graduate school departments in October 2017, and fulfill criteria prescribed by the program.

Graduate School of Engineering: Dept. of Architect and Architectural Engineering, Dept. of Mechanical Engineering and Science, Dept. of Micro Engineering, Dept. of Aeronautics and Astronautics.

Graduate School of Informatics: Dept. of Intelligence Science and Technology, Dept. of Social Informatics, Dept. of Applied Mathematics and Physics, Dept. of Systems Science, Dept. of Communications and Computer Engineering

3. Application Package

Application form, Statement of Purpose, transcript of undergraduate and Master's studies, the Leading Graduate Program Transfer Request Form, Summary of Master's thesis/achievements, and Letter of Recommendation

4. Application Period

October 2 (Mon.) – 19 (Thu.) 5:00 p.m., 2017

5. Selection Process

Selection of students for third-year enrollment will be based on evaluation of the application form, statement of purpose, transcripts, and other documents in the application package.

If deemed necessary, applicants may also be asked to undergo an interview. In this case, applicants will be informed of the schedule by Monday, October 23, 2017 via e-mail sent to the address listed on their application.

6. Announcement of selection results for program student

The applicants selected for third-year enrollment will be announced on the program's website by the middle of November, 2017.

III. Application submission, request of documents
