

Spring Design School 2017

International Design Symposium in Kyoto 2017

<http://www.design.kyoto-u.ac.jp/idskyoto-2017/>

“Towards Establishing International Standardization of Design Education”

Dates: March 16-17, 2017

Place: Clock Tower Centennial Hall, Kyoto University

March 16th (Thursday)

9:30- Registration

10:00-10:30 Opening Remarks

Session Chair: Tetsuo Sawaragi (Kyoto University)

Program Coordinator Toru Ishida (Kyoto University)
(TBA)

10:30-12:30 Session 1 Assessment of Learning Outcomes of Design Studies

Session Chair: Robin Humphrey (Newcastle University)

Assessment Strategy for Learning Outcomes of Kyoto University Design School
Tetsuo Sawaragi (Kyoto University)

Assessing the Acquisition of the Design Competence - Implications from
Pioneering Work in Engineering
Satoko Fukahori (National Institute for Educational Policy Research, MEXT)

International Movements of Outcomes-Based Learning and Teaching: Student
Engagement Projects and Desired Graduate Outcomes
Kumiyo Nakakoji (Kyoto University)

12:30-13:30 Lunch

13:30-15:30 Session 2 Practices of Cohort-Based Learning

Session Chair: Hiroyuki Matsui (Kyoto University)

Challenges in Contemporary Doctoral Supervision: With a Focus on
Interdisciplinarity
Robin Humphrey (Newcastle University)

Field Internship: Exploiting the Power of Field Education
Yohei Murakami (Kyoto University)

Integrated Design Project for Global Engineering Challenges
Rachel Horn (The University of Sheffield)

15:30-16:00 Coffee Break

**(16:00-18:00 collocated event: Students Research
Exchange Workshop in Design)**

March 17th (Friday)

10:00-12:00 Session 3 Interdisciplinary Programs on Design

Session Chair: Maosong Sun (Tsinghua University)

Graduate Program for Social ICT Global Creative Leaders
Yasuo Kuniyoshi (University of Tokyo)

Create a New Circle of Science, Engineering and Design: Introduction to
Kyoto University Design School
Toru Ishida (Kyoto University)

Vision and Missions of SUTD Focusing on Technology-Based Design
Chong Tow Chong (Singapore University of Technology and Design)

12:00-13:00 Lunch

13:00-15:00 Session 4 Programs for Fostering Innovative Leaders

Session Chair: Pekka Korvenmaa (Aalto University)

Design in the Age of Entanglement
Fawwaz Habbal (Harvard University)

Design as an Entrepreneurial Process
Daniel Hjorth / Robin Holt (Copenhagen Business School)

15:00-15:30 Coffee Break

15:30-16:15 Wrap-up Session and Closing

Chair: Tetsuo Sawaragi (Kyoto University)

16:30-17:30 International Advisory Board Meeting (closed)

Chair: Kumiyo Nakakoji (Kyoto University)
